Seeing Kingdom Principles - Matthew 6:9-13 KJV

Our Father...Hallowed be thy Name – Worship, True Humility, Love God

Thy Kingdom Come, Thy Will be done – Fresh Surrender, GO, Hate Sin

Give us our daily bread – His provision, His way forward, finish His work

Forgive us our trespasses – Fearless honesty, confession, revival, walking in peace, sharing the gospel

Lead us, deliver us from temptation & evil – into paths of righteousness

For thine is the Kingdom, Power, & Glory – walk by faith, claiming His promises

LBJs Prayer Requests 13 April 2, 2015

Student punctuality in arriving at school on time or early, Less need for physical discipline - greater attentiveness and respect for teachers and their teaching, Growth in the number of students through the Parent-Teacher Alliance promoting the school and its growth, Greater use of English with families, during break times- when walking or traveling to and from school and during personal and public worship, More time spent Reading and less time on phones and tv, Blessing on Student and Teacher leaders to model Christian honesty, humility, and to follow His lead, That God would help Ghana and U.S. leaders to deal with inflation more effectively and strengthen the cedi and U.S dollar, That monthly financial shortages for staff and workers will be supplied by increased enrollment and monthly CCMI contributions. That the remaining funds needed for a container shipment will come in so it can be sent in 2015, That we could install solar panels to help stabilize the electricity supply and expense, that God would open the door for more mission trip participants to Serve & Grow.
